

## Nursing home care

---

VB Care Wet Wipe is perfect for nursing homes because of its smooth and soft texture. It can be heated due to its thermal properties as the outer package is made of thick 40 $\mu$  film plastic to be used in a towel warmer cabinet. Large enough to clean the whole body: size 30 cm. x 60 cm.

## After oil massage

---

Putting oil-stained towels in a drying tumbler can be a cause of the fire. You can wave goodbye to troublesome towel washing by using our disposable VB Care wet wipe.

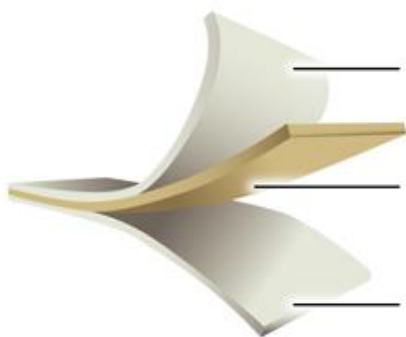

## After sports event and exercise

---

Dry towels absorb your sweat but can't deodorize your body. Here comes VB Care Wet Wipe; wipe away your sweat and deodorize your body at the same time!

## Soft and durable 3-layer hybrid material

— Rayon and polyester: Smooth and durable

— Air-lade pulp: Water-retentive and moisture rich
